Youth groups are asked to bring adequate supervision for their own students. Please try to bring one adult for every 3-6 students of the same gender. If you as a Youth Minister, have trouble meeting this, please don't let that be a deterrent, just email us at info@campacc.com and we'll work it out.

Each participant - both students & adults will need to complete an individual registration. These forms can be found at campacc.com/escape.
