As the group coordinator for my church, I agree to all of the following:

- I understand and agree that the discount for each student will be applied proportionally between the church and the family registering.
- I attest that all students on the form are either members of this church or invited by a member.
- I further attest that the adult(s) listed on the form are qualified volunteers, who will contribute fully as a "camp counselor".
- If for some reason the church no longer qualifies for the group discount for this camp session - i.e. enough campers cancel to the point where the group is too small, adult volunteers back out, etc. - I authorize Camp ACC to bill our church for the discount amount for all campers who attend.
- I understand and agree that this agreement applies to all changes made by me, via email to [info@campacc.com](mailto:info@campacc.com).

**Please only submit after you have enough commitments from both students and adults to qualify for one of the discount levels. Additional adults and campers or changes must be made by email to [info@campacc.com](mailto:info@campacc.com).**

### **Group Discount Details:**

Churches can qualify for a group discount by sending groups of campers to the same camp session along with adult volunteer(s). The amount of the discount varies based on the number of campers and adults in the group. The discount amount also varies based on the camp session. The following shows how the discount is broken down:

Level 1 is 6 or more students and 1 adult volunteer attending the same session from the same church

Level 2 is 12 or more students and 2 adult volunteers attending the same session from the same church

Level 3 is 24 or more students and 4 adult volunteers attending the same session from the same church

#### Discount/Camper

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
<u>Day Camp</u>	\$5	\$10	\$10
<u>Pee Wee</u>	\$10	\$15	\$20
<u>Middler, Junior, Core &amp; Summit</u>	\$20	\$30	\$40

### **Church & Family Info:**

- Church leaders – i.e. Youth & Children’s Ministers – must complete and turn in to the camp office Camp ACC’s *Group Enrollment Form*.
- All students must still register individually online or by mail, and group discounts will only be applied after the *Group Enrollment Form* is submitted by the church.
- The adult volunteers must commit to being a full-time contributing camp counselor – attend Program Director’s planning meetings, submit to the camp’s sexual offender & criminal background check, sign Camp ACC’s *Leadership Application & Covenant*, be present and fully engaged from the start of the camp until its conclusion.
- Telling your church leader that your child will be part of a group prior to May 1<sup>st</sup> does NOT qualify you for Early Bird pricing – only submitting a registration and deposit to the camp can qualify you for Early Bird pricing.
- This discount will be split proportionally between family & church - i.e. if the church pays 50% of the tuition, the church gets 50% of the discount and the family gets 50%.
- We encourage campers to invite friends outside of their church to be included in your group, however...
- Churches cannot combine for the purpose of this discount.

### **Group Leader Info:**

- We are NOT asking you to collect and track camper forms for your group. Campers will still register individually.
- We ARE asking you to fill out and sign the enclosed Group Enrollment Form, which can also be found on our website at [discounts.campacc.com](http://discounts.campacc.com).
- Once the Group Enrollment Form is turned in we can begin honoring the discount for those in your group(s).
- Please take special note as stated above in the “Church & Family” section – the camp MUST receive the registration forms – not just the group form – and deposit by May 1st to receive Early Bird Pricing as well.
- Once the form is signed by you or another authorized church representative, your church is agreeing to pay back to the camp the full discount, should your group no longer qualify – i.e campers cancel and the group no longer meets size r requirements, or adult volunteers back out.
- Changes to the form must be emailed by a church representative to [info@campacc.com](mailto:info@campacc.com).
- You are welcome to be one of the adult volunteers of your group, but you can recruit someone else. All we ask is that they are a fully committed and capable camp counselor – we are NOT looking for warm bodies.
