

Dear Parents,

We are very excited about your child attending Camp ACC this summer. There are many great things planned.

In this packet you will find the following information. Please read each carefully to be aware of the camp policies and what you will need to do to get ready for camp.

- *Church Payment Authorization Form -
If your church will be paying a portion, we must receive this completed form to authorize us to bill your church and for you to qualify for Express Check-in.*
- *Packing List, Dress Code, Getting Ready for Camp and General Information*
- *Camp Policies and Code of Ethics*
- *Security Policy for camper check-out*
- *Care Packages*

These are the remaining steps to complete the registration process:

1. **Pay any remaining tuition balance.** If you pay your balance due at least 1 week prior to the start of camp, you will qualify for *Express Check-in* and reduce the check-in time considerably.
2. **You may call or email a request for a *Consent for Medication Administration Form*.** You can also download and print it at <http://campacc.com/pdfs/Consent for Medication Administration.pdf>.

This is for campers bringing medication – both prescription and non-prescription. Filling this form out ahead of time will save you time when you check-in. The form and all medication must be turned in to the First Aid Attendant upon arrival.

A Special Note on Your Arrival Time:

Middler camp check-in will be open beginning at **4:00pm** on the start date of your camp session. Rooms are assigned ahead of time based on what is requested on the registration forms, so there is little benefit to arriving before **4:00pm** and will only cause you to wait for that hour to arrive. You can arrive at any time during the scheduled check-in hour. If you cannot arrive before that hour is over, please call the camp during the previous week to let us know.

If you have any questions, please call the camp office or email us at info@campacc.com.

In Christ,

Aaron Morris
Executive Director

Getting Ready for Camp & General Information

Canteen Accounts:

Camper money deposited in a canteen account can be used for purchases in the canteen and to make donations to the mission for that session. All donations to missions will be at the discretion of the camper, with the exception of any money left unused at the end of their session. Campers are given an opportunity to close out their account and receive a refund if they wish. All money left in accounts will automatically be donated to that session's mission.

Missions:

Because each camp session supports a foreign or local mission, campers will have opportunities to learn about the mission work performed and opportunities to contribute financially. Campers will be able to give at offering times, from their canteen accounts, and participate in some fun activities that raise money for missions – carnivals, goofy auctions, etc. It is the parent's responsibility to instruct their child in how they want them to divide the money between canteen and missions.

Defeating Homesickness:

Homesickness Spreads Quickly from Parent to Child. We have found that many times parents are homesick for their children, while the children are fine. But, if a homesick parent calls or visits a child who is not homesick, the child soon becomes homesick.

For this reason, we discourage phone calls and visits with parents and/or siblings. If a child does get homesick, we will do our best to try to keep them involved in the activities of the camp and hope that it will pass. If it does not pass, we will allow your child to call you. If your child does not call, this is the best sign that things are **GREAT!**

Say Encouraging Things As You Leave. This can be the most helpful tool in defeating homesickness. Say things like, "You are going to have a great time!", "Look at all of the fun things you will be doing". Please resist the temptation to say things like, "I don't know how we are going to make it without you.", "Are you sure you're going to be OK?", "The house sure will be empty without you there." Focus on the positives!

Phone access:

Campers are not given access to the phones. Exceptions will be at the discretion of the Camp Administration and the Program Director of each session. Cell phones are not permitted.

Visiting the camp:

Visiting the campers is discouraged. Besides the obvious distraction it could cause to the program, the visit can also cause a camper to become homesick. Please notify both the Program Director and the Camp Director if you must visit your child.

Leaving campus:

Campers are only allowed to leave campus for scheduled camp activities. If you need to take your child off campus, please let the Program Director and Camp Director know when and for how long the camper will be gone. We need this information as soon as possible.

Luggage Drop-Off:

Please tag all luggage before arriving - we will not be providing luggage tags during check-in. The Camp ACC staff will gladly transport your camper's luggage to their lodging facility.

Lost and Found items:

Camp ACC is not responsible for items left behind, lost or stolen. It is recommended that all items be labeled. Lost and Found items will be kept at the camp for 4 weeks and then donated to charity if not claimed.

Baptisms:

Parents/Guardians will be called for permission for and invitation to all baptisms. The camper will have the opportunity to notify his/her minister/church with an invitation to attend. Certificates of baptism will be issued by Camp ACC to all campers baptized at Camp ACC.

Security Explanation

The Executive Board of Directors wishes to maintain a safe and secure environment for its students, staff and volunteers, in a way that causes minimal inconvenience. We appreciate your understanding in this matter.

Camp ACC's Check-in and Checkout policies are as follows for our TruthQuest programs:

- On your Health & Liability Release form you are asked to provide names of individuals who are not allowed to pick up your child. Please only list specific names of individuals that you do not want to pick up your child.
- When you drop off your child you will be given a card with your child's name on it. This card must be turned in to pick up your child. If someone other than the person dropping off your child will be picking them up, it is the parent/legal guardian's responsibility to make sure that person has the card before arriving.
- Upon arriving at the camp on checkout day, you will be met by staff in the parking lot who will ask you to turn in the cards for all children you are picking up.
- Any driver, who cannot produce a card, will be required to show photo ID and their license tag will be noted.
- Any driver whose identity matches that of someone who is on a "Do Not Allow..." list will be asked to remain in their car until the parent/legal guardian can be notified & consulted.
- Anyone who does not cooperate with our security policy will only raise suspicion, and we will call the proper authorities when necessary.

If you have any questions, please call Aaron Morris at (423) 743-3910.

Care Packages

The CampACC gift shop gives you the opportunity to put together a care package for your child that will be delivered by us on the day you choose! The basic care package includes: gift bag, CampACC pen, CampACC sticker, 3 types of snacks/candy, note card, & delivery. You may choose to purchase additional items to include.

Here's how it works: During check-in, our Gift Shop will be open in the Gym. All you do is: pick-up a bag, fill it with any extra goodies you choose, write a note to your child, and choose the day you want it delivered. Extra items for sale will vary: Camp ACC stuffed animals, Camp ACC Nalgene bottles, flashlights, Camp ACC journals, bags and much more!

Why are we doing this? Every year there are packages delivered too late to reach their camper, and we have seen many packages that were shipped costing up to \$10 or more to ensure prompt delivery. We hope to make this easier and cheaper for you! Plus, it can mean a lot to a homesick camper to receive a note or package from home.

All proceeds go to further the camp's ministry!

Check it out in the Gift Shop!
