Pathway

Leadership & Discipleship Program

Dear Pathway Students & Parents,

We have received your registration for the Pathway Program, and we are excited about the opportunity for you to participate in this elite leadership and discipleship training. Pathway is designed for young men and women who are ready to stretch their limits, both spiritually and physically. It is for those who desire to stand apart from the crowd and are prepared for the life changing challenge of this program.

For two weeks, Pathway students will worship, learn, and grow together while serving alongside the summer staff in all areas of the camp: cooking, cleaning, landscaping, ropes course, etc. This is not for the faint of heart, but if you are looking to push yourself and dive deeper into the Christian life, this is for you!

Enclosed with this letter you will find the following information. Please read each carefully to be aware of the camp policies and what you will need to do to get ready for camp.

- Pathway Questionnaire – **must be completed & returned to the camp (may also be submitted online)**
- Getting Ready for Camp and General Information
Special Packing Note: Be sure to bring clothes you can work in and get dirty, a pair of long pants, and a pair of closed toe shoes.

3. You may call or email a request for a *Consent for Medication Administration* form.

You can also download and print it at [campacc.com/pdfs/Consent for Medication Administration.pdf](http://campacc.com/pdfs/Consent%20for%20Medication%20Administration.pdf)

Getting Ready for Camp & General Information

Canteen Accounts:

Camper money deposited in a canteen account can be used for purchases in the canteen and to make donations to the mission for that session. All donations to missions will be at the discretion of the camper, with the exception of any money left unused at the end of their session. Campers are given an opportunity to close out their account and receive a refund if they wish. All money left in accounts will automatically be donated to that session's mission.

Missions:

Because each camp session supports a foreign or local mission, campers will have opportunities to learn about the mission work performed and opportunities to contribute financially. Campers will be able to give at offering times, from their canteen accounts, and participate in some fun activities that raise money for missions – carnivals, goofy auctions, etc. It is the parent's responsibility to instruct their child in how they want them to divide the money between canteen and missions.

Defeating Homesickness:

Homesickness Spreads Quickly from Parent to Child. We have found that many times parents are homesick for their children, while the children are fine. But, if a homesick parent calls or visits a child who is not homesick, the child soon becomes homesick.

For this reason, we discourage phone calls and visits with parents and/or siblings. If a child does get homesick, we will do our best to try to keep them involved in the activities of the camp and hope that it will pass. If it does not pass, we will allow your child to call you. If your child does not call, this is the best sign that things are **GREAT!**

Say Encouraging Things As You Leave. This can be the most helpful tool in defeating homesickness. Say things like, "You are going to have a great time!", "Look at all of the fun things you will be doing". Please resist the temptation to say things like, "I don't know how we are going to make it without you.", "Are you sure you're going to be OK?", "The house sure will be empty without you there." Focus on the positives!

Phone access:

Campers are not given access to the phones. Exceptions will be at the discretion of the Camp Administration and the Program Director of each session. Cell phones are not permitted.

Visiting the camp:

Visiting the campers is discouraged. Besides the obvious distraction it could cause to the program, the visit can also cause a camper to become homesick. Please notify both the Program Director and the Camp Director if you must visit your child.

Leaving campus:

Campers are only allowed to leave campus for scheduled camp activities. If you need to take your child off campus, please let the Program Director and Camp Director know when and for how long the camper will be gone. We need this information as soon as possible.

Luggage Drop-Off:

Please tag all luggage before arriving - we will not be providing luggage tags during check-in. The Camp ACC staff will gladly transport your camper's luggage to their lodging facility.

Lost and Found items:

Camp ACC is not responsible for items left behind, lost or stolen. It is recommended that all items be labeled. Lost and Found items will be kept at the camp for 4 weeks and then donated to charity if not claimed.

Baptisms:

Parents/Guardians will be called for permission for and invitation to all baptisms. The camper will have the opportunity to notify his/her minister/church with an invitation to attend. Certificates of baptism will be issued by Camp ACC to all campers baptized at Camp ACC.
