No Life Left Unchanged

Appalachian Christian Camp is a non-denominational Christian Camp and Retreat Center that operates as a ministry partner of the area Christian Churches and Churches of Christ.

***Being a Christian Camp does not mean that only Christians can attend.** It does mean that we are a camp that teaches Christian values and concepts and we are closely tied to those churches with which we are partnered. Since we teach these Christian values and principles, it is common for students to make life-decisions while at Camp ACC. We provide Bible based study and worship and we help each student discover appropriate responses to many social and family issues and discover God's purpose for their lives.*

Our fees are based on actual costs—we are a non-profit ministry and thanks to the blessings God has provided through the generous giving support of Churches and individuals, we are able to offer our sessions at a price far below the actual cost we incur.

Thank you for considering helping Appalachian Christian Camp continue to provide a life-changing experience to the young people of our area!
