

CampACC

Group Discount Details:

Churches can qualify for a group discount by sending groups of campers to the same camp session along with adult volunteer(s). The amount of the discount varies based on the number of campers and adults in the group. The discount amount also varies based on the camp session. The following shows how the discount is broken down:

Level 1 is 6 or more campers and 1 adult volunteer attending the same session from the same church

Level 2 is 12 or more campers and 2 adult volunteers attending the same session from the same church

Level 3 is 24 or more campers and 4 adult volunteers attending the same session from the same church

Church & Family Info:

- Church leaders – i.e. Youth & Children’s Ministers – must complete and turn in to the camp office Camp ACC’s *Group Discount Form*.
- All campers must still register individually online or by mail, and group discounts will only be applied after the *Group Discount Form* is submitted by the church.
- The adult volunteer(s) must commit to being a full-time contributing camp counselor – attend Program Director’s planning meetings, submit to the camp’s sexual offender & criminal background check, sign Camp ACC’s *Leadership Application & Covenant*, be present and fully engaged from the start of the camp until its conclusion.
- Camper families must register their child with the camp by the June 1st Early Price deadline to qualify for the Early Registration discount. Telling a church leader that a child will be part of a camp group does NOT qualify for early pricing.
- The group discount will be split proportionally between family & church - i.e. if the church pays 50% of the tuition, the church gets 50% of the discount and the family gets 50%.
- We encourage campers to invite friends outside of their church to be included in your group, however...
- Churches cannot combine for the purpose of this discount.

Group Leader Info:

- We are NOT asking you to collect and track camper forms for your group. Campers will still register individually.
- We ARE asking you to fill out and sign the enclosed *Group Discount Form*, which can also be found on our website at discounts.campacc.com.
- Once the *Group Discount Form* is submitted we can begin honoring the discount for those in your group(s).
- Please take special note as stated above in the “Church & Family” section – the camp MUST receive camper registrations – not just the group form – by June 1st to receive Early Pricing as well.
- If for some reason the church no longer qualifies for the group discount for a camp session - i.e. enough campers cancel to the point where the group is too small, adult volunteers back out, etc. - the church will be billed for the discount amount for all campers who attend.
- Changes to the form must be emailed by a church representative to info@campacc.com.
- You are welcome to be one of the adult volunteers of your group, but you can recruit someone else. All we ask is that they are a fully committed and capable camp counselor – we are NOT looking for warm bodies.

As the group coordinator for my church, I agree to all of the following:

- I understand and agree that the discount for each student will be applied proportionally between the church and the family registering - i.e. if the church pays 50% of the tuition, the church gets 50% of the discount and the family gets 50%.
- I attest that all students on the form are either members of this church or invited by a member.
- I further attest that the adult(s) listed on the form are qualified volunteers, who will contribute fully as a "camp counselor".
- If for some reason the church no longer qualifies for the group discount for this camp session - i.e. enough campers cancel to the point where the group is too small, adult volunteers back out, etc. - I authorize Camp ACC to bill our church for the discount amount for all campers who attend.
- I understand and agree that this agreement applies to all changes made by me, via email to info@campacc.com.
