

Appalachian Christian Camp Annual Spring Workday

- Saturday, May 8th
- Work from 8:30am - 4:00pm
- Lunch Provided

We'll be cleaning, landscaping, repairing and building. The camp needs workers of all skill levels to come out and help get everything ready for the upcoming summer. Bring a pair of work gloves and any tools you feel may be useful.

Most work will occur outdoors with plenty of room to distance, and lunch will be served in the Tabernacle, our open-air pavilion. We will ask that masks be worn indoors.
